<i>All signs are printed on white coroplast corrugated plastic material. Add 10% for printing on yellow coroplast.</i>							

- **No Setup Fees**
- **18" x 24" Signs**
- **Weatherproof**

Corrugated Plastic Signs measure 18" x 24" and are perfect for business yard signs, real estate signs, political signs, and so much more! They are screen printed on 4mm corrugated plastic with 18" flutes using Pantone spot UV inks for the highest quality product. All of which are weatherproof, fade resistant, and vibrant in color. 10 - 14 working days after proof approval. Add an H-Stake wire stand with prongs that fit into the vertical flutes.

YARD SIGNS ARE AN AFFORDABLE & WEATHERPROOF MARKETING TOOL!
