

SOCIAL DISTANCING OUTDOOR FLOOR DECALS

PRINTED IN 5-7 WORKING DAYS - CUSTOM SHAPES AVAILABLE!

Outdoor Floor Decals are a rugged product designed to naturally conform to the texture of rough or smooth surfaces. The sandpaper-like finish can withstand foot traffic and a wide variety of weather conditions.

COVID-19 outdoor floor decals are printed on 20 mil material with UV cured inks. Standard floor decal sizes include Small 12", Medium 18", or Large 24". (Inquire about additional size options.) Choose from one of our 6 designs or upload your own. Outdoor floor decals are available in square or add 15% to create a custom shape. Printed in 5 - 7 working days.

The floor should be thoroughly cleaned and dried prior to application. After applying, it is recommended that you use a rubber roller (not included) to properly adhere it to the ground.
